Organizational Chart and Processes

Nature and Extent of Innovation of Faculty and Students in academic affairs /improvements

1. Initiatives taken to inculcate the spirit of involvement amongst faculty and students are as follows:

1. The Philosophy behind Faculty Student Involvement:

a) The Institute is committed to developing excellence in education, training and research. Institutionalized attempts are being made to promote and foster excellence in developing knowledge skills and attitudes in all students and commitment to values in faculty and staff. We have been concentrating in **Outcome Based Education (OBE)** and Skill Training of our students. Faculty members and students are motivated to publish papers in National/ International Journals and Conferences.

b) Special emphasis has been given on developing an environment highly conducive to building of a solid foundation of knowledge, personality development, confidence building, and pursuit of excellence, self-discipline and enhancement of creativity through motivation and drive, which helps to produce professionals who are well trained for the rigors of professional and social life. All Students are encouraged to explore the environment through participation in professional/curricular/ co-curricular activities outside the Institute.

2. Concept of Faculty Involvement:

The faculty focuses on developing and strengthening systems thinking, problem solving, analysis, design, team work, communication skills and preparing students for lifelong learning. The faculty uses innovative techniques, interactive lectures, guided case studies, regular lab assignments and project work. Each Department lays down departmental visions, objectives and roles in shaping the profile of the students to achieve the desired goals.

As a pedagogical practice starting from first year courses itself, students are required to explore study, summarize, critique, validate and evaluate. The faculty stresses on learner centric, active and collaborative learning. Labs are used for developing skills to use and apply various general professional competences.

3. Faculty Development Programme(s):

AIEM-P believes in continuous training and development of its Faculty and Staff members. All the members are both multi-skilled and field specialized. Each year AIEM-P organizes FDPs to impart to its faculty the lessons in professionalism and improving the quality of teaching. The concept of treating students as a customer and caring for them assists the faculty in getting feedback and incorporating necessary improvements. Faculty Development Programme–Emphasizes on course preparation, lecture, tutorial and laboratory delivery, assessment and obtaining feedback.

Faculty members are encouraged for undertaking Training Programmes conducted by NITTTR, ATAL, Universities and higher technical institutes to upgrade their knowledge.

4. Symposiums / Interactive Sessions / Seminars / Lectures / Presentations:

Symposiums / Interactive Sessions / Seminars / Lectures / Presentations are frequently organized; both in house and by inviting eminent external speakers to improve the quality of knowledge and skills.

5. System of student mentoring:

Student mentoring has been put in place. Feedback is analyzed at departmental levels as also during meetings of various forums to imbibe and include new and valid suggestions. Corrective actions are taking to improve the overall performance of the students.

6. System of faculty appraisal and student feedback:

A system of student feedback on faculty and teaching is in place. The performance of the faculty members are evaluated through Faculty Performance Evaluation Committee. The Faculty Appraisal and student feedback analysis is considered by the management and appropriate points implemented for further improvement.

7. Feedback from the Alumni:

A system of Alumni feedback in prescribed format is documented and action taken points are assessed.

Mechanism/Norms and Procedure for democratic / good Governance

For the growth of the institute, the management recognizes the need for decentralization and accords autonomy accordingly. Delegating authority, providing operational autonomy and resulting in a decentralized governance system, is clearly demonstrated in the roles and responsibilities of administrators / decision makers listed below.

(i) Chairman Governing Body

It is the chairman's primary responsibility to ensure that the institute's Governing Body is effective in setting and implementing the institute's strategy and direction in accordance with the institute's Vision and Mission.

(ii) Principal

It is the Principal's responsibility to develop a vision and strategy which guarantees the Institute's place as a key and valued partner committed to excellence within its local community and keeps it at the forefront of educational innovation.

(iii) Advisor Academic

In accordance with the Vision and Mission of the institute, the Advisor Academic is responsible for overseeing academic & administrative matters.

(v) Dean Academic

The Dean shall supervise and coordinate with the Faculty through the Heads of Institute, and take steps to promote inter-disciplinary teaching and research where necessary. The Dean shall formulate policies and development programmers of the Faculty and present them before the Academic Council.

(vi) Training & Placement Cell

Assist the final year students with the following tasks:

- (i) Preparation for Industry Recruitment Drives, and
- (ii) Adequate coaching by internal and external experts in order to prepare them for higher studies.

(vii) HOD / HOD In-Charge

It is she/he who is responsible for the department's architecture. The smooth operation and further growth of the department largely depends on the vision of the HOD / HOD In-Charge and the implementation of the Institute's policies. Although individual faculty members are fully responsible for effective conduct of their own classes, yet the over-all responsibility of efficient functioning of the Department rests with the HOD.

The Institute governs the following systems for Grievance Redressal:

1. Grievance Redressal Committee (GRC)
2. Internal Complaints Committee (ICC)
3. Anti-Ragging Committee (ARC)

Institution Level Committees

1. Academic Council
2. Anti-Ragging Committee
3. Internal Quality Assurance Cell (IQAC)
4. Purchase Committee
5. Faculty / Staff Selection committee
6. Committee for SC/ST
7. Entrepreneurship Development Cell
8. Institution's Innovation Council (IIC)

The Institute has developed following methods to enhance Learning-Teaching:

- (a) Weekly Departmental meetings amongst HOD / In-Charge & faculty
- (b) Meeting of Principal, Dean Academic & HOD/In-Charge once in a fortnight/regular intervals.
- (c) Faculty meeting of the Institute Presided by the Chairman (GB) to discuss issues of Academics, Administration, feedbacks and suggestions besides reviewing the progress over all points.

The role of faculty as student mentor is listed below:

- (i) Act as local guardian of the students and therefore perform all such activities as a local guardian should perform.
 - (ii) Continuously monitor their academic performance including their attendance, marks in quizzes, minor tests, major tests and discipline,
 - (iii) Teach at least one course to such students as far as possible.
 - (iv) To discuss all issues with the students whether personal or official.
 - (v) Be in constant touch with their parents to inform of their progress.
 - (vi) To meet every student at least once every fortnight.
 - (vii) Appraise Principal of the progress of the students once in a month.
 - (viii) Seek the help of the administration to resolve problems, if necessary.
- (e) Direct access of faculty and students to the HODs and HOD In-Charge, and Dean Academic and Advisor Academic. No timings have been laid down. Thus all problems are attended to with due urgency. Major issues are brought to the notice of Chairman (GB) for appropriate decision.
- (f) Forms have been devised to report any difficulty in the class rooms which need attention of maintenance staff. The same are routed through the Principal.

Students Feedback of Institutional Governance / Faculty performance

On a regular basis, all departments collect student feedback every semester.
